

`fc::UInt128High64`

```
graph LR; A[fc::UInt128High64] --> B[fc::uint128::high_bits]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text `fc::UInt128High64`. The right box is white with a thin gray border and contains the text `fc::uint128::high_bits`. The arrow is a solid blue line with a triangular arrowhead pointing towards the right box.
