

sysio::subjective_billing
::subjective_bill_failure

```
graph LR; A["sysio::subjective_billing  
::subjective_bill_failure"] --> B["fc::microseconds::count"]
```

A diagram showing a mapping from a source type to a target type. The source type, `sysio::subjective_billing::subjective_bill_failure`, is enclosed in a gray rectangular box on the left. A blue arrow points from this box to a white rectangular box on the right, which contains the target type `fc::microseconds::count`. Both boxes have a thin black border.

fc::microseconds::count
