```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, stacked vertically. The top box contains the text 'fc::equihash::proof' followed by '::hash' on a new line. The bottom box contains the text 'fc::equihash::proof' followed by '::is_valid' on a new line. To the right of these is a single, wider gray box with a black border, containing the text 'fc::equihash::sha_to_seed'. Two blue arrows point from the right side of the top white box and the right side of the bottom white box to the left side of the gray box.
