

WASM::serializeModule

```
graph LR; A[WASM::serializeModule] --> B[Serialization::InputStream::capacity];
```

A diagram showing a function call. On the left, a white rectangular box with a black border contains the text 'WASM::serializeModule'. A blue arrow points from the right side of this box to a gray rectangular box with a black border on the right. The gray box contains the text 'Serialization::InputStream' on the top line and '::capacity' on the bottom line.

Serialization::InputStream
::capacity
