

internal::Hasher::Key

```
graph LR; A[internal::Hasher::Key] --> B[internal::Hasher::String]
```

A diagram illustrating a mapping or transformation. On the left, a gray rectangular box contains the text 'internal::Hasher::Key'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'internal::Hasher::String'. Both boxes have a thin black border.

internal::Hasher::String
