

```
fc::exception_factory  
::base_exception_builder
```

A diagram illustrating inheritance. A light blue box at the bottom contains the code `fc::exception_factory::exception_builder< T >`. A blue arrow points upwards from this box to a gray box at the top. The gray box contains the code `fc::exception_factory::base_exception_builder`.

```
fc::exception_factory  
::exception_builder< T >
```
