

websocketpp::connection
::add_subprotocol

```
graph LR; A[websocketpp::connection::add_subprotocol] --> B[websocketpp::error::make_error_code]; B --> C[websocketpp::error::get_category];
```

The diagram consists of three rectangular boxes arranged horizontally, connected by blue arrows pointing from left to right. The first box on the left has a gray background and contains the text 'websocketpp::connection' on the top line and '::add_subprotocol' on the bottom line. The middle box has a white background and contains 'websocketpp::error' on the top line and '::make_error_code' on the bottom line. The third box on the right also has a white background and contains 'websocketpp::error' on the top line and '::get_category' on the bottom line. Each box has a thin black border.
