

MyListener::testRunEnded

```
graph LR; A[MyListener::testRunEnded] --> B[print]; B --> C[ws]
```

A flowchart illustrating a sequence of three steps. The first step, 'MyListener::testRunEnded', is contained within a gray rectangular box. A blue arrow points from this box to a white rectangular box labeled 'print'. Another blue arrow points from the 'print' box to a final white rectangular box labeled 'ws'.
