

mie::VsintT::compare

```
graph LR; A[mie::VsintT::compare] --> B[mie::VsintT::isZero]
```

A diagram showing a call to the `mie::VsintT::compare` method. A blue arrow points from the `compare` box to the `mie::VsintT::isZero` box, indicating that the `compare` method calls the `isZero` method.

mie::VsintT::isZero
