

`bn::util::convertToNAF`

```
graph LR; A[bn::util::convertToNAF] --> B[bn::util::getContinuousVal]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text `bn::util::convertToNAF`. The right box is white with a black border and contains the text `bn::util::getContinuousVal`. The blue arrow originates from the right side of the left box and points directly to the left side of the right box.

`bn::util::getContinuousVal`
