

libraries/wasm-jit  
/Include/Inline/BasicTypes.h

```
graph TD; A["libraries/wasm-jit  
/Include/Inline/BasicTypes.h"] --> B["cstdint"]; A --> C["cstdintdef"];
```

The diagram illustrates the include relationships for the file `libraries/wasm-jit/Include/Inline/BasicTypes.h`. Two blue arrows originate from the bottom of the top box and point to the top of the two bottom boxes, indicating that `BasicTypes.h` includes both `cstdint` and `cstdintdef`.

`cstdint`

`cstdintdef`
