

EncodedStreamTest::
TestAutoUTFInputStream

```
graph LR; A[EncodedStreamTest::TestAutoUTFInputStream] --> B[AutoUTFInputStream::Peek];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'EncodedStreamTest::TestAutoUTFInputStream'. The right box is gray with a black border and contains the text 'AutoUTFInputStream::Peek'.

AutoUTFInputStream
::Peek
