

Timing::Timer::getMilliseconds

```
graph LR; A[Timing::Timer::getMilliseconds] --> B[Timing::Timer::getMicroseconds]; B --> C[Timing::Timer::stop];
```

The diagram illustrates a sequence of three operations in a flowchart. The first operation, 'Timing::Timer::getMilliseconds', is highlighted with a gray background. A blue arrow points from this box to the second box, 'Timing::Timer::getMicroseconds', which has a white background. Another blue arrow points from the second box to the third box, 'Timing::Timer::stop', also with a white background. All boxes have a thin black border.
