

```
fc::exception_factory  
::base_exception_builder
```

A diagram illustrating inheritance. A light blue box at the bottom contains the text 'fc::exception\_factory' and '::exception\_builder< T >'. A blue arrow points upwards from this box to a gray box at the top. The gray box contains the text 'fc::exception\_factory' and '::base\_exception\_builder'.

```
fc::exception_factory  
::exception_builder< T >
```
