

Catch::throw_exception

```
graph LR; A[Catch::throw_exception] --> B[Catch::cerr]; B --> C[Catch::clog];
```

A flowchart illustrating a sequence of three operations. The first operation, 'Catch::throw_exception', is contained within a gray rectangular box. A blue arrow points from this box to a white rectangular box containing the second operation, 'Catch::cerr'. Another blue arrow points from the 'Catch::cerr' box to a third white rectangular box containing the final operation, 'Catch::clog'. All boxes have a thin black border.

Catch::cerr

Catch::clog
