

sysio::vm::register
_profile_signal_handler_impl

```
graph LR; A["sysio::vm::register_profile_signal_handler_impl"] --> B["sysio::vm::profile_handler"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'sysio::vm::register' on the first line and '_profile_signal_handler_impl' on the second line. The right box is white and contains the text 'sysio::vm::profile' on the first line and '_handler' on the second line. A solid blue arrow points from the right side of the gray box to the left side of the white box.

sysio::vm::profile
