

to\_softfloat32

```
graph LR; A[to_softfloat32] --> B[memcpy]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is filled with a dark gray color and contains the text 'to\_softfloat32'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a dark gray border and contains the text 'memcpy'.

memcpy
