testing::ByRef

```
graph LR; A[testing::gmock_generated_actions_test::TEST] --> D[testing::ByRef]; B[testing::gmock_matchers_test::TEST] --> D; C[testing::gmock_matchers_test::TEST] --> D;
```

The diagram illustrates three test cases on the left, each in a white box with a black border, pointing via blue arrows to a single gray box on the right. The top box is labeled 'testing::gmock_generated_actions_test::TEST', the middle box is 'testing::gmock_matchers_test::TEST', and the bottom box is 'testing::gmock_matchers_test::TEST'. All three arrows converge on the gray box labeled 'testing::ByRef'.
