

f16\_lt\_quiet

```
graph LR; A[f16_lt_quiet] --> B[softfloat_raiseFlags]
```

A diagram showing a relationship between two variables. On the left is a gray rectangular box containing the text 'f16\_lt\_quiet'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'softfloat\_raiseFlags'. Both boxes have a thin black border.

softfloat\_raiseFlags
