

websocketpp::config  
::core

```
graph BT; debug_config_client[debug_config_client] --> websocketpp_config_core[websocketpp::config::core];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'websocketpp::config' on the first line and '::core' on the second line. The bottom box is gray with a black border and contains the text 'debug\_config\_client'. A blue arrow points vertically from the top of the gray box to the bottom of the white box.

debug\_config\_client
