

testing::internal::TEST

testing::internal::TEST

testing::internal::
ThreadLocal::pointer

```
graph LR; A[testing::internal::TEST] --> C[testing::internal::ThreadLocal::pointer]; B[testing::internal::TEST] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, each containing the text 'testing::internal::TEST'. On the right, there is a single gray box with a black border containing the text 'testing::internal::ThreadLocal::pointer'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating a mapping or relationship between the two 'testing::internal::TEST' entities and the 'testing::internal::ThreadLocal::pointer' entity.
