

Catch::Generators::  
range

```
graph LR; A[Catch::Generators::range] --> B[Catch::Generators::pf::make_unique]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is gray and contains the text 'Catch::Generators::range'. The right box is white and contains the text 'Catch::Generators::pf::make\_unique'. A straight blue arrow points from the right side of the gray box to the left side of the white box. A curved blue arrow starts from the top of the white box and points back to the top of the white box, forming a self-loop.
