

testing::internal::  
FilePath::GetCurrentDir

```
graph LR; A["testing::internal::  
FilePath::GetCurrentDir"] --> B["cwd"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'testing::internal::' on the first line and 'FilePath::GetCurrentDir' on the second line. The right box is gray with a black border and contains the text 'cwd'. A blue arrow points from the right side of the left box to the left side of the right box.
