

CLI::Option::excludes

```
graph LR; A[CLI::Option::excludes] --> B[CLI::Option::excludes]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text 'CLI::Option::excludes'. The right box is white with a dark gray border and also contains the text 'CLI::Option::excludes'. The blue arrow is positioned between the two boxes, indicating a flow or transformation from the left state to the right state.
