

PopCountTest::PopCountTest

```
graph LR; A[PopCountTest::PopCountTest] --> B[Xbyak::CodeGenerator::popcnt]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'PopCountTest::PopCountTest'. The right box is gray with a black border and contains the text 'Xbyak::CodeGenerator' on the top line and '::popcnt' on the bottom line.

Xbyak::CodeGenerator
::popcnt
