

testing::internal::  
FilePath::RemoveDirectoryName

```
graph LR; A["testing::internal::  
FilePath::RemoveDirectoryName"] --> B["testing::internal::  
FilePath::FilePath"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text 'testing::internal::' followed by 'FilePath::RemoveDirectoryName' on two lines. The right box is white and contains the text 'testing::internal::' followed by 'FilePath::FilePath' on two lines. The blue arrow originates from the right side of the gray box and points to the left side of the white box.
