

pump.MakeToken

```
graph LR; A[pump.MakeToken] --> B[pump.SubString]; B --> C[pump.Eof];
```

The diagram illustrates a sequence of three operations in a flowchart. The first operation, 'pump.MakeToken', is highlighted with a gray background. It is followed by 'pump.SubString' and then 'pump.Eof', both with white backgrounds. Blue arrows indicate the flow from left to right between each step.

pump.SubString

pump.Eof
