

```
fc::crypto::r1::private  
_key::generate_from_seed
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text 'fc::crypto::r1::private' followed by '\_key::generate\_from\_seed' on the next line. The right box is white and contains the text 'fc::crypto::r1::private' followed by '\_key::regenerate' on the next line.

```
fc::crypto::r1::private  
_key::regenerate
```
