

IR::serialize

```
graph LR; A[IR::serialize] --> B[Serialization::serialize<br/>VarInt7]; B --> C[Serialization::serialize<br/>VarInt]
```

The diagram illustrates a three-step process flow. It begins with a gray rectangular box on the left containing the text 'IR::serialize'. A blue arrow points from this box to a white rectangular box in the center. This central box contains the text 'Serialization::serialize' on the top line and 'VarInt7' on the bottom line. Another blue arrow points from the central box to a final white rectangular box on the right. This rightmost box contains the text 'Serialization::serialize' on the top line and 'VarInt' on the bottom line. All boxes have a thin black border.
