

bn::CompressT::square_nC

```
graph LR; A[bn::CompressT::square_nC] --> B[bn::CompressT::squareC]; B --> C[mie::Fp::_3z_add_2xC];
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is white with a black border and contains the text 'bn::CompressT::square_nC'. A blue arrow points from the right side of this box to the left side of the second box. The second box is also white with a black border and contains the text 'bn::CompressT::squareC'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is gray with a black border and contains the text 'mie::Fp::_3z_add_2xC'.
