

`fc::to_variant`

```
graph LR; A[fc::to_variant] --> B[fc::microseconds::count];
```

The diagram illustrates a function call. On the left, a gray rectangular box contains the text `fc::to_variant`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text `fc::microseconds::count`. Both boxes have a thin black border.

`fc::microseconds::count`
