

test_compressed_square

```
graph LR; A[test_compressed_square] --> B[bn::CompressT::decompress]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the text 'test_compressed_square'. The right box is white with a black border and contains the text 'bn::CompressT::decompress'. A blue arrow points from the right side of the gray box to the left side of the white box.

bn::CompressT::decompress
