

main

```
graph LR; main[main] --> TestCatchesLeakedMocksIn[TestCatchesLeakedMocksIn<br/>AdHocTests];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The first box, on the left, is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second, larger box. This second box is gray with a black border and contains the text 'TestCatchesLeakedMocksIn' on the top line and 'AdHocTests' on the bottom line.
