

sysio::vm::execution
_context::execute

```
graph LR; A["sysio::vm::execution_context::execute"] --> B["host"]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box is gray with a black border and contains the text 'sysio::vm::execution_context::execute' in two lines. The right box is white with a black border and contains the text 'host' in a single line.

host
