The diagram consists of two rectangular boxes. The left box is gray and contains the text 'sysio::chain::eosvmoc ::code\_cache\_sync::~~code \_cache\_sync'. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'sysio::chain::eosvmoc ::read\_message\_with\_fds'. A curved blue arrow originates from the top of the right box and points back to the top of the same box, forming a self-loop.
