

CLI::App::add_option

CLI::App::add_option
_function

CLI::Option::results

CLI::detail::lexical
_conversion

```
graph LR; A[CLI::App::add_option] --> D[CLI::detail::lexical_conversion]; B[CLI::App::add_option_function] --> D; C[CLI::Option::results] --> D;
```

The diagram illustrates a dependency or relationship where three distinct components on the left (CLI::App::add_option, CLI::App::add_option_function, and CLI::Option::results) all point to a single target component on the right (CLI::detail::lexical_conversion). The arrows are blue and originate from the right side of each left box, converging on the left side of the right box.
