

mock_con::start

```
graph LR; A[mock_con::start] --> B[mock_con::handle_start];
```

A diagram showing a call from `mock_con::start` to `mock_con::handle_start`. The `mock_con::start` node is a white rectangle with a black border, and the `mock_con::handle_start` node is a gray rectangle with a black border. A blue arrow points from the right side of the first node to the left side of the second node.

mock_con::handle_start
