```

The diagram illustrates a sequence of operations. On the left, a white box with a black border contains the text 'testing::internal::StrEqualityMatcher::MatchAndExplain'. A straight blue arrow points from the right side of this box to the left side of a gray box on the right. The gray box contains the text 'testing::internal::CaseInsensitiveStringEquals'. A curved blue arrow originates from the top of the gray box and points back to its top, forming a self-loop.
