

```
testing::internal::  
scoped_ptr::~~scoped_ptr
```

A diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the C++ code 'testing::internal::scoped_ptr::~~scoped_ptr'. The right box is gray with a black border and contains the C++ code 'testing::internal::scoped_ptr::reset'.

```
testing::internal::  
scoped_ptr::reset
```
