

main

```
graph LR; main[main] --> appbase[appbase::application::set_default_config_dir];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'main'. The right box is gray with a black border and contains the text 'appbase::application' on the top line and '::set_default_config_dir' on the bottom line. A blue arrow points from the right side of the 'main' box to the left side of the gray box.

appbase::application
::set_default_config_dir
