

```
fc::raw::detail::if  
_reflected< fc::true  
_type >::unpack
```

A flow diagram consisting of two rectangular boxes. The left box is white with a black border and contains three lines of C++ code. A straight blue arrow points from the right side of this box to the left side of a gray box on the right. The gray box also contains two lines of C++ code. A curved blue arrow starts from the top of the gray box and points back to the top of the gray box, indicating a self-loop.

```
fc::raw::detail::if  
_reflected::unpack
```
