

internal::Hasher::Key

```
graph LR; A[internal::Hasher::Key] --> B[internal::Hasher::String]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'internal::Hasher::Key'. The right box is gray with a black border and contains the text 'internal::Hasher::String'. A blue arrow points from the right side of the left box to the left side of the right box.

internal::Hasher::String
