

ParseStringHandler
::String

```
graph LR; A[ParseStringHandler  
::String] --> B[memcpy]
```

A diagram showing a call from a function to a library function. On the left, a gray rectangular box contains the text 'ParseStringHandler' on the top line and '::String' on the bottom line. A blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text 'memcpy'.

memcpy
