The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'sysio::vm::detail::' followed by 'value_operand_size' on the next line. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'sysio::vm::detail::' followed by 'has_as_value' on the next line. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'sysio::vm::detail::' followed by 'pop_value' on the next line.
