

Serialization::serialize  
Bytes

```
graph LR; A[Serialization::serialize Bytes] --> B[memcpy]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the text 'Serialization::serialize' on the top line and 'Bytes' on the bottom line. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'memcpy'.
