

`fc::UInt128Low64`

```
graph LR; A[fc::UInt128Low64] --> B[fc::uint128::low_bits]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text `fc::UInt128Low64`. The right box is white with a black border and contains the text `fc::uint128::low_bits`. A solid blue arrow points from the right side of the left box to the left side of the right box.
