testing::DoDefault

```
graph LR; A[testing::gmock_generated_function_mockers_test::TEST_F] --> C[testing::DoDefault]; B[testing::gmock_generated_function_mockers_test::TEST_F] --> C;
```

The diagram illustrates a mapping from two test cases to a single default action. On the left, there are two identical white rectangular boxes, each containing the text 'testing::gmock\_generated\_function\_mockers\_test::TEST\_F'. Blue arrows point from the right side of each box to a single gray rectangular box on the right, which contains the text 'testing::DoDefault'.
