

usb_open_device

```
graph LR; A[usb_open_device] --> B[usb_close]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is filled with a dark gray color and contains the text 'usb_open_device'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'usb_close'.

usb_close
