

chainbase::pinnable
_mapped_file::pinnable
_mapped_file

```
graph LR; A["chainbase::pinnable  
_mapped_file::pinnable  
_mapped_file"] --> B[environment]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains three lines of text: 'chainbase::pinnable', '_mapped_file::pinnable', and '_mapped_file'. The right box is gray with a black border and contains the word 'environment'.
