

get_slot

```
graph LR; A[get_slot] --> B[list_get]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'get_slot'. A blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right. This second box contains the text 'list_get'.

list_get
